

Flint Academy PTF

President's Notes:

Volume 3 Issue 3

Just two more months of the school year, wow!!! It's almost impossible for me to believe that I will have a sophomore in high school. I realized as I drove past Baylor last weekend that I just have three short years left with him at home. It made me very grateful that I have been able to be a part of his school life all of these years with parties and field trips. Please consider getting more involved next year, we have so many opportunities for you to help. Even the upper school kids like having parents around even if they don't admit it.

We are bringing back some of the activities from the past like Fall Fest so please watch for next months newsletter to see what areas you would like to help in. If you have any ideas for fundraisers or activities you would like us to do please feel free to email or stop by to share them with me. A big thanks to Amy Johnson for bringing me the skating idea for our back to school event. That will be a much appreciated cool indoor party in August!

As always feel free to email or call me anytime.

Happy April,
Jennifer

Upcoming Events

April 23-25: Upper School Camping
